- Future Maker Festival - May 18
- Girl Scouts Troop 52910 - May 19

(The team calendar is available [Here](#))

Announcements

Girl Scouts initiative [2018+]

Quasics has recently started demonstrating for the local Girl Scout troops. We have visited Troops 52296, 46590, 52635, 52281, 52232, 52301, 55153, and 36789. We led two workshops for the Central Westmoreland Service Unit at their “Full STEAM Ahead” event in July 2018 and another in Monroeville. Since May of 2018, Quasics has inspired a total of 211 Girl Scouts and helped them earn 150 STEM Badges! Our goal is to visit every Girl Scouts Troop in our area, and to inspire as many of them as we can to explore STEM and robotics.

Community Outreach statistics since the 2019 FRC Kickoff

We totalled up our Community Outreach hours and visitor totals since January 2, 2019. We have participated in 8 community events through March 31, totaling 59.5 hours and inspiring 3,581 visitors in our community! For the second year in a row, we were named a WOW District Showcase team for our efforts in the community!

FIRST Robotics Competition - Greater Pittsburgh Regional (March 21-23)

Quasics competed in our 12th FRC Regional competition March 21-22-23 at Cal U. We finished with a 5-5-0 record and ranked #29 of 45 teams. Hedy played well, scoring Cargo balls into the Cargo Ship and all three levels of the Rocket. We could also fly off Level 2 of the Habitat Zone to start each match. Check out our Facebook page for photos from the Regional at www.facebook.com/Quasics

Ed.Co online fundraising platform

Edco is an online platform that acknowledges the nonstop time commitments and struggle of fundraising, so they use modern technology to make it easier. It is accessible and simple to use. We are asking that you visit the link below and help our teams by making a donation. With your support, we can continue to compete and share our passions for STEM and Robotics in our community!

March's Events

Pittsburgh Home & Garden Show March 1-3, 8-10

For the first time ever, Quasics had a booth at the Pittsburgh Home & Garden Show. We were open for 51 hours across six days and evenings. We interacted with over 3300 visitors as our students and coaches showed off our FRC and VEX robots, helped them learn to drive Millie, and handed out stickers and parent resource sheets.

Girl Scouts Troop 36789 March 19

Just hours before Regional packing had to begin, Quasics welcomed the members of Girl Scouts Troop 36789. The Brownies and their Troop Leaders traveled nearly an hour to come visit our workshop and earn their 'Rollercoaster' STEM badges!

QUASICS

Thank you, Quasics sponsors!

The American Society of Mechanical Engineers, Barnes & Noble, Bechtel Plant Machinery Inc, Mr. Charles Cohen, Eat 'n Park, Google.org, Google's Making & Science Team, Premier Automation & The Panel Shop, the MERS Group, the Rotary Club of Monroeville, and Gateway School District.
